Maynooth University and the Alzheimer  
Society of Ireland need your help! In Ireland,  
many people with dementia move to nursing  
home care. We want to understand the  
impact of this move on the partners of these  
people. We know that this can be a difficult  
time, and we want to learn more about it so  
that we can help to support you and others  
like you. If you: • have had a spouse or  
partner with dementia move to a nursing  
home in the past 1-5 years, • are willing to  
chat to us (in person, via videoconferencing,  
or on the phone) about your experiences,  
particularly when it comes to loneliness,  
Please either email us at:
